

SPINNING® INSTRUCTOR CERTIFICATION

RENEWAL FORM

Dear Valued Spinning® Instructor,

As a Certified Spinning® Instructor, you're not one to get left behind—so don't let your certification expire. You need to earn a minimum of 14 SPIN® continuing education credits (CECs) every two years in order to keep your certification current. You can earn SPIN® CECs by attending Spinning® workshops, or global conferences, events and sessions like the World Spinning and Sport Conditioning Conference (WSSC). You can also earn CECs by completing online courses (including the Online: Recertification Course which provides all 14 CECs you need), and newsletter quizzes. Visit <http://spinning.com/instructors/education/certification-renewal> for additional information. If you have completed courses from other organizations, visit <http://spinning.com/instructors/education/spinning-certification-renewal/petition-spin-cecs/> to download the SPIN® Petition Form. To determine your current SPIN® CEC total, sign in at <http://spinu.spinning.com/account/Login> to view your current CECs, under your "Achievements" tab.
