

SPINNING® INSTRUCTOR CERTIFICATION

RENEWAL FORM

Dear Valued Spinning® Instructor,

As a Certified Spinning® Instructor, you're not one to get left behind—so don't let your certification expire. You need to earn a minimum of 14 SPIN® continuing education credits (CECs) every two years in order to keep your certification current. You can earn SPIN® CECs by attending Spinning® workshops, or global conferences, events and sessions like the World Spinning® and Sport Conditioning Conference (WSSC). You can also earn CECs by completing online courses (including the Online Recertification Course which provides all 14 CECs you need) and newsletter quizzes.

Visit Spinning.com/certification-renewal-fee-standard/ to renew online or by completing this form. If you have completed courses from other organizations, visit Spinning.com/instructors/education/spinning-certification-renewal/petition-spin-cecs/ to download the SPIN® Petition Form. To determine your current SPIN® CEC total, email education@spinning.com.
